

**Dissemination activities implemented by a Nitra project Désiré team from 01/12/2013
until 30/04/2015**

Publications:

a/ Issued publications

- Kozík, T. – et al. : New Teaching Approaches in Engineering. Proceeding of Lectures of Summer Course Nitra 2014. Nitra 2014. CD –ROM, 282 p. Editors: Tomáš Kozík, Peter Kuna. 1. Edition. ISBN 978-80-558-0723-2. EAN 978 805 580 7232
- Kozík, T. – Šimon, M. – Kuna P. – Arras, P. – Tabunshchyk, G.: Internet Security of Remote experiments. E – Kazan 2015. International scientific – practical conference. Kazan 21-23. April 2015. Proceedings from Interantional Conference
- Kozík, T.: Letný kurz projektu Tempus. Časopis Univerzity Konštantína Filozofa v Nitre, ročník XVIII, číslo 5 (121), 2014, s.25. www.ukf.sk/media-ukf/nas-cas
- Kozík, T. – Arras, P. – Tabunshchyk, G. : Techniques and Tools for Virtual and Remote Experiments. In: International Scientic-practical Conference Modern Problems and Achievements of Radio Engineering (electornocs), Telecommunications and Information Technologies. Proceedings from International Conference, Zaporizhzhya, Ukraine date: 17-19. September 2014. Zaporizhzhya: Zaporizhzhya National Technical University, 2014. ISBN 978-617-529-098-9, p.112-113.
- Kozík, T. – Šimon, M. – Kuna, P.: Remote Experiment in Rerms of View of Diadactics of Education. In: Dydaktyka informatyki. Rzeszow: WUR, 2014. ISBN 978-83-7996-021-7. P.200-2011.
- Kozík, T.- Kuna, P.: Vzdialený reálna experiment s využitím prvkov priemyselnej automaziuácie. In: Edukacja- Technika – Informatyka: wybrane problemy edukacji technicznej i zawodovej. ISSN 2080-9069, Roč.5, č.1(2014), s.581-597.

b/ Publications in the approval (executive) process

- Kozík, T. – Šimon, M. – Kuna, P. – Arras, P. – Tabunshchyk, G.: Remote Experiements at Universities. IDAACS´2015. The 8th IEEE International Conference on Intelligent Data Acquisition and Advaced Computing Systems: Technology and Applications, September 24-26,2015, Warsaw, Poland
- Kozík, T. – Šimon,M.: The perspective of Real Experiments in Education. Proceedings of scientific works of the University of Rzeszow.

c/ Contributions that are in progress finalisation

- Kozík, T. – Šimon, M.- Kuna, P. – Arras, P. – Tabunshchyk, G.: Perspective of Remote Experiemnts at the Universities –reflection. In: Edukacja – Technika – Informatyka. Proceedings of the International Conference, 22nd-23rd September2015, University of Rzeszow
- Kozík, T. – Šimon, M. – Kuna, P. – Arras, P.: Educational texts, UKF Nitra, 2015
